

ROUND THIEF HATCHES

Specification:

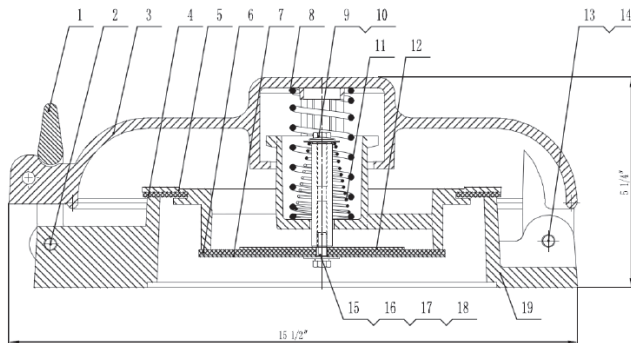

Features:

Chem Oil's Thief Hatch is designed to compensate the requirement for a light weight and storage applications that do not require vapor tight seal. Lockable unit, with a spring loaded aluminum cover and base. Standard gasket material is Buna-N with other gasket material available. Settings of 4 oz. pressure and 0.4oz vacuum are standard (optional setting of 4, 8, 10, 12, 14, 16 oz. and 0.4 oz. vacuum available). Flange bolt pattern conforms to API 12F Fig1 & API 12B Fig 3. 3.

Bolt Pattern: (16) - 1/2" diameter holes on a 10 3/8" B.C.

Ordering Information:

- Specify the model number per sweet and sour services.
- Specify the pressure settings.

Model No.	Application
